Chin : I've seen many places, but one will stick in my memory for a really long time. SM Mall of Asia!

Vince : A mall? Really? What makes it so much more special than the nature around it?

Chin : Well, it's the 11th largest **shopping mall** in the world **according** to the number of stores. It consists of four parts **linked** with **walkways**, each one being as huge as the next one.

Vince : Wow! That seems to be really big. But still, it's just walking around and window shopping, because who's going to carry all the stuff with them through the entire mall?

Chin : There are many entertainment areas, like billiard and bowling, science hall, IMAX cinema. There's also an ice skating rink inside. I'm telling you, it's huge and it has everything you need.

Vince : OK, you **persuaded** me. I'll definitely suggest my girlfriend to check it out. We'll go there on the first day and then rest on the beach the **remaining** time. (chuckle)

Chin : That's a **marvelous** idea. We went there the last day of our stay and my feet still hurt. And yeah, be sure to visit The Music Hall, there are nice concerts quite often.
